

TITLE:	Occupational Health and Safety Accountability Framework		
Manual/Policy #:	Board of Directors III-4	Division:	CPDMH
Original Issue:	April 2009	Issued by:	Board Chair and Board Secretary
Previous Date Reviewed	February 2019	Approved by:	Board of Directors
Last Date Reviewed:	January 2022	Cross References	Health & Safety Policy Statement

1. POLICY STATEMENT:

The Organization, the Board of Directors (the “Board”) and Chief Executive Officer (the “CEO”) are committed to the health, safety and wellness of employees, and the prevention of occupational injuries and disease in support of a safe and healthy workplace.

2. SCOPE:

All members of the Organization are expected to demonstrate their commitment towards a safe and healthy environment by acting in compliance with this policy.

3. GUIDING PRINCIPLES:

N/A

4. DEFINITIONS:

N/A

5. PROCEDURE:

In accordance with the Organization’s Administrative Bylaw (Section 8.01) there will be an Occupational Health and Safety Program for the Organization, which includes procedures for:

- i) a safe and healthy work environment in the Organization;
- ii) the safe use of substances, equipment and medical devices in the Organization;
- iii) safe and healthy work practices in the Organization;
- iv) the prevention of accidents to persons on the premises of the Organization; and
- v) the elimination of undue risks and the minimizing of hazards inherent in the Organization environment

The Board will receive annual reports from the CEO, and/or person designated by the CEO to be in charge of occupational health and safety in the Organization, about the ability of the Organization to meet occupational health and safety requirements, identification of risk issues and program outcomes.

The Board will receive quarterly reports from the CEO, and/or person designated by the CEO to be in charge of occupational health and safety in the Organization about statistical
