

The Carleton Place & District Memorial Hospital is a 22 bed rural hospital with an outstanding record of performance, fiscal responsibility and quality patient care. Our Hospital serves the growing communities of Carleton Place, Beckwith Township, Mississippi Mills and Ottawa West. We have partnered with the Almonte General Hospital to form the Mississippi River Health Alliance, an integrated model of shared hospital administration.

ORTHOPEDIC TECHNOLOGIST PART-TIME POSITION

Job Description

Reporting directly to the Integrated Manager of Surgical Services, Medical Device Reprocessing (MDRD), Ambulatory Care, Telemedicine and Patient Flow, the Orthopedic Technologist is responsible for providing orthopedic services in the Ambulatory Care Department as ordered by the Orthopedic Surgeon. When requested, the incumbent will provide services to other consultants.

Qualifications

- Successful completion of Grade 12 (or equivalent).
- Orthopedic Technologist Certified (OTC).
- Ability to work independently within the limits of the position.
- Excellent organizational skills and interpersonal skills.
- Commitment to continuing education.

Preferred Qualifications

- Previous experience in a hospital environment.
- Knowledge of medical terminology.

Human Resources

Carleton Place & District Memorial Hospital

211 Lake Avenue East, Carleton Place, ON K7C 1J4

We wish to thank all who apply but only those applicants selected for an interview will be acknowledged.

All staff will support and promote a culture of patient and family-centered care. It is an expectation that you will provide safe, high quality patient care and service. This will be achieved by, but not limited to, taking a problem solving approach to your work, using sound judgment, acting appropriately to ensure safety and taking the initiative to improve care and service.

The Carleton Place & District Memorial Hospital is an equal opportunity employer. If you require accommodation throughout any part of the recruitment process, please contact Human Resources to let us know how we may assist you.
